AUTHORIZATION FOR STUDENT PICK-UP EMERGENCY CONTACTS

The names of at least one or two individuals who normally pick-up your child must be on file in the school office. If anyone else will be picking up your child, it is imperative that you notify the school office in writing, on or before the day in question (this information can also be faxed). The school will not release a child to anyone who is not authorized to do so.

However, in the event of an emergency, when the parent/s can not be notified, the school will automatically notify the person/s listed below.
